AAED was originally founded in 1974 as the Arizona Association for Industrial Development (AAID). The organization, which was dedicated to expanding the industrial and economic base of Arizona, changed to its current name in 1991 to better reflect its broader mission.

The strategic vision of AAED is to be the leading advocate of responsible economic development for all of Arizona by leading the facilitation of public/private

cooperation and fostering teamwork to address the growth and quality of life issues that face Arizona. For more information on AAED, visit www.aed.com or call (602) 240-2233.
