GRANT THORNTON RAISES MORE THAN \$3,500 FOR HAITI RELIEF

The Phoenix office of Grant Thornton LLP, the U.S. member firm of Grant Thornton International, joined together with its sister office in Albuquerque to raise more than \$3,500 toward Haiti relief. Altogether, Grant Thornton raised \$143,728 through nationwide employee contributions and company matching to be split between the American Red Cross and the Salvation Army to go toward their Haiti relief funds.

“As professionals, it is our duty to help those in need, whether in our own neighborhoods here in Arizona or in other parts of the world,” stated Office Managing Partner Brad Preber. “We hope our contributions will help lessen the devastation the people and children of Haiti are still experiencing,” finished Preber.

This initiative is one of the many community outreach programs supported through Grant Thornton C.A.R.E.S. (Community Awareness and Responsibility Expressed through Service), a program created by Grant Thornton designed to demonstrate leadership not only in its industry, but also in its community. Through the program, employees contribute time, money and expertise to local civic organizations, charities, universities and professional associations.
