## **P.I.P.E. EXPANDS AND MOVES INTO NEW FACILITY**

P.I.P.E., Piping Industry Progress and Education Fund, has announced its move to a new 7,000-square-foot facility in Phoenix. It is located at 4720 E. Cotton Gin Loop, Suite 105 in Phoenix.

The new facility features significantly larger training spaces to accommodate the hundreds of courses offered annually in P.I.P.E.'s Blueprint for Success program. Blueprint for Success spans thousands of training hours and provides certification standards that can impact the safety of hospitals and medical facilities, the purity of drinking water, back-flow prevention, safety, management, welding specifications and qualifications, and many others.

P.I.P.E.'s previous office and training location measured approximately 2,000 square feet.

“We’re thrilled to have moved into this spacious new facility,” said Carl Triphahn, executive director of P.I.P.E. “Because we’ve more than tripled the amount of available space, we’ll be able to offer even more training courses to those in our industry.”

P.I.P.E. is an organization committed to upholding the highest standards of performance in the plumbing and pipefitting industry. Established in 1954, P.I.P.E.

assists its members and their unionized P.I.P.E trades provide the highest quality construction products in Arizona through performance, education, informational materials and promotion of ethical standards for business conduct. There are more than 100 members throughout Arizona.
