GRANT THORNTON TOURS, FUNDRAISES FOR “WISH HOUSE”

The Phoenix office of Grant Thornton LLP, the U.S. member firm of Grant Thornton International, was all smiles on Wednesday, August 26, during a tour of the Make-A-Wish Foundation’s Phoenix “Wish House,” where more than 500 chronically and terminally ill children receive their heart’s desire each year. During the tour, the Grant Thornton team was also able to donate money it raised during a recent office fundraiser and made plans for future Make-A-Wish fundraising opportunities.

This initiative is one of the many community outreach programs supported through Grant Thornton C.A.R.E.S. (Community Awareness and Responsibility Expressed through Service). The Phoenix office also recently helped raise baby products for Maggie’s Place in Phoenix and joined in the fight against heart disease with a series of fundraisers for the American Heart Association’s “Go Red for Women” campaign and the Breast Cancer Network of Strength.
