

The Phoenix office of Grant Thornton LLP, the U.S. member firm of Grant Thornton International, rolled up its sleeves this holiday season and volunteered its time wrapping gifts for the families that reside in the UMOM New Day Center, Arizona’s largest homeless shelter for families. The office also hosted a gift drive for UMOM and collected almost 200 gift items and donated more than \$300 in cash and/or gift cards. The shelter provides a home for more than 350 men, women and children and helps develop a program for each family to help them get back on their feet. For more information, please visit [www.umom.org](http://www.umom.org). Volunteering time to wrap gifts is one of the many community outreach programs supported through Grant Thornton C.A.R.E.S. (Community Awareness and Responsibility Expressed through Service). The office also recently \$28,000 raised for the Valley of the Sun United Way and 1,060 cans of food for Interfaith Cooperative Ministries (ICM) food bank. In months past, they also joined in the fight against breast cancer and heart disease with a series of fundraisers for the Breast Cancer Network of Strength and the American Heart Association’s “Go Red for Women” campaign
